About Ridgeview

Ridgeview Medical Center is an independent, nonprofit, regional health care system serving the southwest metro region of the Twin Cities. Its network includes three hospitals—located in Waconia, Arlington and Le Sueur—a multitude of primary and specialty care clinics, emergency services and specialty programs, a nursing home, independent living apartments and Two Twelve Medical Center in Chaska—a freestanding 24/7 emergency and urgent care facility with multispecialty clinics and services.

At Ridgeview Clinics, our primary care physicians are experts in caring for the full spectrum of health issues in patients of all ages, including annual examinations, vaccinations, injuries and illnesses. Same-day appointments for primary care, and on-site laboratory services and X-ray are available. Ridgeview also offers online diagnostic services at www.ridgeviewecare.org.
